SUMMARY

Graphic and brand designer for community-focused organizations. I bring systems thinking and data-driven decisions to human-first design, turning fragmented, dated brands, websites and marketing into unified, documented systems that keep improving over time. I'm looking for a long-term, in-house role on a design team at a mission-focused organization.

EXPERIENCE

Open Frame · Designer & Front-End Developer

Jan 2026 – Present

My design and front-end studio (LLC). Ongoing design partner for mission-focused clients.

Needlework Guild of Minnesota

- Modernized a dated brand with a full rebrand: logo system, messaging framework, voice guidelines, and a template-based brand kit for print, email and social.
- Ran a content inventory and gap analysis, then rebuilt a legacy 86-page archive into a 42-page, conversion-focused site with a new information architecture and sitemap.

HelloSpoke

- Owned the marketing site build from design files to production code, implementing the design system end to end.

Wellness in the Woods · Senior Design Lead & Marketing Officer

Aug 2023 – Mar 2026

Mental-health nonprofit offering free peer-supporter education. Owned design and marketing.

- Replaced fragmented, one-off assets with a modular visual design system for social, flyers, newsletters and presentations, improving consistency and accessibility across every peer-facing touchpoint.
- Led creative direction for organization-wide fundraising campaigns, pairing storytelling and strategic messaging to grow donor engagement.
- Wrote and designed the curriculum, facilitator guides and participant materials for a free 24/7 peer-supporter education program covering mental health, LGBTQ+ rights and cooking.

SOTA Extracts · Design Team Lead, Social Media

Jun 2020 – Jul 2023

Consumer products startup selling online and in stores. Early design hire.

- Designed and built the online store, creating 35+ custom graphics with illustration and modern design patterns.
- Created the brand identity and official style guide: logo, 2D animation, illustration and marketing assets.

Gustavus Adolphus College · Admissions Office Coordinator & Campus Tour Guide

Sep 2016 – May 2020

- Led campus tours for prospective students and families for 3 years, contributing to the college's three largest consecutive incoming classes.
- Coordinated between campus administration, 90+ tour guides, and prospective students and families.
- Designed and published the onboarding manual for new admissions staff.

SKILLS

Design	brand identity, visual design, illustration, 2D animation, print and layout
UX/UI	user research, wireframing, prototyping, information architecture, design systems, usability review with Hotjar and analytics, accessibility (WCAG)
